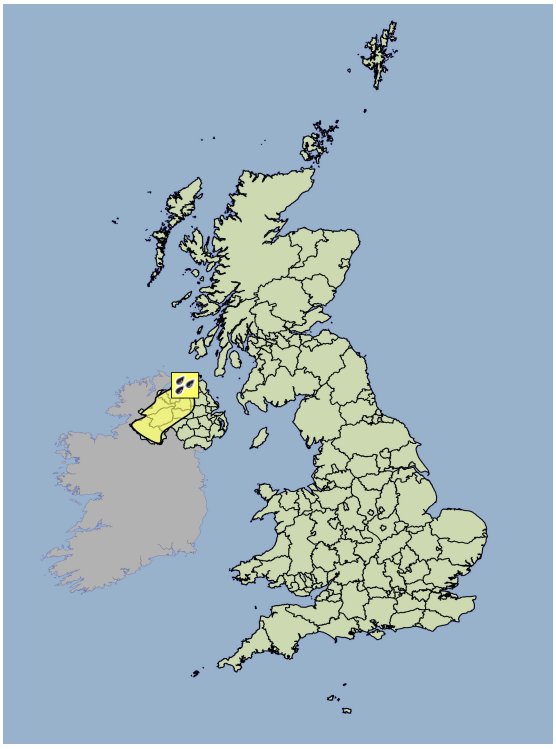
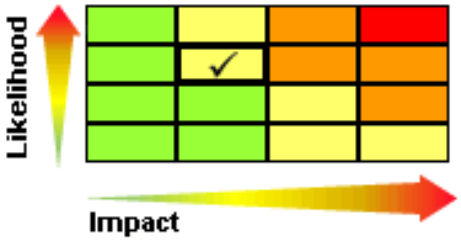
National Severe Weather Warning Service





CANCELLED

Chief Forecasters Assessment
A cold front will move eastwards across the region during Monday afternoon and early evening bringing with it a few hours worth of rain. Whilst this rain will be heavy at times with locally as much as 20 mm rain falling, it is worth noting that Monday's rain will neither be as heavy nor as prolonged as recent rain.

The Met Office have issued a **Yellow Warning** of **Rain**

Valid from **13:00 on Mon, 07th Dec 2015** until **18:00 on Mon, 07th Dec 2015**

Rain, heavy at times, will spread eastwards across Northern Ireland on Monday afternoon, clearing during the late afternoon or early evening.

In view of recent wet weather, please be aware that this additional rainfall brings the possibility of further localised flooding and disruption to transport.
